Commissioner for Patents

--See attached--

The reply filed on 7 March 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

Paper No. 3, mailed 3 October 2002, which was the previous Office Action, noted that the application failed to comply with the sequence rules (37 CFR §§ 1.821 – 1.825). The Notice To Comply, which had been attached thereto, indicated that three items were needed for compliance: a CRF, or request to use the parent case CRF; a paper copy of the sequence listing, i.e., the sequence amendment; and a statement that the CRF and the paper copy of the sequence listing are the same. Applicant has now requested that the CRF from the parent be used to generate a CRF in the instant case. However, no response appears to have been made with respect to the paper copy of the sequence (the sequence amendment) or the statement that the CRF and the paper copy are the same.

A copy of the Notice To Comply sent with the previous Office Action is attached hereto.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Certain papers related to this application may be submitted directly to the Examiner by facsimile transmission at (703) 746-5155. The faxing of such papers must conform with the notices published in the Official Gazette, 1156 OG 61 (November 16, 1993) and 1157 OG 94

Art Unit: 1636

(December 28, 1993)(see 37 CFR ' 1.6(d)). To send the facsimile to the Art Unit instead, the Art Unit 1636 Fax number is (703) 305-7939. NOTE: If Applicant does submit a paper by fax to this number, the Examiner must be notified promptly, to ensure matching of the faxed paper to the application file, and the original signed copy should be retained by Applicant or Applicant's representative. (703) 308-4242 or (703) 305-3014 may be used without notification of the Examiner, with such faxed papers being handled in the manner of mailed responses. Applicant is encouraged to use the latter two fax numbers unless immediate action by the Examiner is required, e.g., during discussions of claim language for allowable subject matter. NO DUPLICATE COPIES SHOULD BE SUBMITTED so as to avoid the processing of duplicate papers in the Office.

Any inquiry concerning this communication or earlier communications from the Examiner with respect to the examination on the merits should be directed to James Ketter whose telephone number is (703) 308-1169. The Examiner normally can be reached on M-F (9:00-6:30), with alternate Fridays off.

If attempts to reach the Examiner by telephone are unsuccessful, the Examiner's supervisor, Remy Yucel, can be reached at (703) 305-1998.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (703) 308-1234.
